

REMARKS/ARGUMENTS

In the Final Rejection dated February 15, 2005, claims 1-46 were allowed, claims 47, 48, 50-57, 59 and 61 were rejected, and claim 60 was objected to as being dependent on a rejected claim (50). However the Examiner stated that Claim 60 would be allowable if amended to include all limitations of claims on which it depends.

Claim 60 has now been amended to include the limitations of claim 50, on which it had depended, and all rejected claims have been canceled.

CONCLUSION

In view of the foregoing, Applicant believes that all claims now pending in this Application are in condition for allowance and an action to that end is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned.

Respectfully submitted,

Joel G. Ackerman
